DECLARATION

I declare that I have not withheld any information and I accept that this application and declaration shall be the basis of the contract of insurance between me and the Insurer, which will become effective on the first day of the month for which premiums are received. I also acknowledge that should this application not be considered as part of a full financial needs analysis and I have instructed the broker not to proceed with a full financial needs analysis, this could have the effect that all my financial needs may not be properly addressed.

I further confirm that the following notable conditions have been explained to me. The waiting periods (a, b and c) below will be applied to the additional benefits obtained should there be an upgrade in cover applicable from date of the continuation of cover:

- a) No benefits will be payable during a general 3 month waiting period for all treatment received unless the treatment was required as a result of an accident (external violent physical means).
- b) No benefits will be payable for treatment during the first 12 months of the policy if treatment or advice was received 12 months prior to inception of the policy that related to the subsequent treatment.
- c) Not all your dependants on your medical scheme are automatically covered under this policy, only your eligible spouse and your eligible children are covered as per the policy definitions.
 - i. Only one spouse is allowed.
 - ii. The maximum age for a child dependant is under 21. This age may be extended to 26 in respect of an unmarried child who is a dependant on the Principal Insured Person's Medical Scheme and is financially dependent on the Principal Insured Person.
 - iii. No cover is provided for extended family members.

I confirm that although I have completed this application form, it does not constitute an insurance contract until a membership number is assigned, policy issued and premium is successfully paid.
